**Sgt. Matt Ronstadt – August 17, 2011**

---

On August 14, 2011 at approximately 9:38 p.m., the Tucson Police Department received a 911 call reporting a shooting in a residence in the 3100 block of East Blacklidge Drive. Officers from Operations Division Midtown responded to the area and were on scene within six minutes of the call. Officers located an **adult male, approximately 45-years of age**, suffering from apparent gunshot trauma. Officers immediately began CPR and continued life-saving measures until paramedics arrived on scene. The victim's injuries were severe, and despite these efforts, he succumbed to his injuries at the scene. Next of kin have not yet been notified.

During the initial response, information was obtained that a suspect or suspects had possibly fled on foot from the area. An extensive area search was conducted utilizing numerous patrol officers, the Service Dog Unit, and the Air Support Unit. Ultimately, that search was unsuccessful and no suspects were immediately located.

Detectives from the Gang Unit responded to continue the investigation at the scene after it was determined that at least one person at the scene during the incident had gang affiliations. Initial indications are that the victim and the suspect or suspects were acquainted with each other.

The investigation is ongoing.

The Tucson Police Department urges anyone with information about his incident to call **911** or **88-CRIME**.
